

Project description

Because of the successful collaboration with the artist Paula Hart we created a unique artwork for the Woolworths Group in Perth, Australia. The artwork is fixed to a modularised framing system on the facades of a well-known grocery store.

Product information

Product: Lalace

Application: Facade

Function: Shopping center

Type: Welded

Material / coating: Stainless Steel powdercoated

Pattern: Birds & flowers

Colour: White

Pattern ratio: 85/15

Mounting: Plates (type 2.2)

Project size: 240 m2
