

Project description

In close collaboration we designed an Art Deco ceiling. Our partner had a vision to design a venue with a unique Art Deco expression and feel in all the materials, creating a world that touches the past but celebrates the present and future. We are proud to have worked together on this exceptional project.

Product information

Product: Lalace

Application: Ceiling

Function: Restaurant

Type: Welded

Material / coating: Moulded Steel Powdercoated

Pattern: Artdeco

Colour: Grey

Pattern ratio: 70/30

Mounting: Suspended (type 3.1)

Project size: 440 m2
