

Project description

The Lotus flower is seen as the symbol of a plant whose fruit induces a dreamy forgetfulness and an unwillingness to leave. The apartment building's facade is completely covered with a Lotus flower pattern. It functions as a safeguard for residents and visitors and tells a unique story in relation to the meaning of the Lotus flower and the architecture the pattern is projected on.

Product information

Product: Lalace

Application: Facade

Function: Apartment building

Type: Welded

Material / coating: Stainless Steel powdercoated

Pattern: Lotus (#14)

Colour: White

Pattern ratio: 50/50

Mounting: Plates (type 2.2)

Project size: 393 m2
