

Project description

Commissioned by Innocad architects from Austria, we produced an artwork of 160 m2 for the lobby of Accor hotels in Barcelona. The artwork stretches from the ceiling above the bar to the facade above the hotel entrance. The graphic design was made by Jupiterfab.

Product information

Product: Dedots

Application: Wall

Function: Hotel

Type: Welded mesh

Material / coating: PC-ASA

Pattern: Custom

Colour: 21

Dot Density: 67%

Mounting: WD1

Project size: 161 m2
