

Project description

For this project Redfort collaborated with Western Australian artist Paula Hart and the school students to create the artwork for South Bunbury Primary School, in Western Australia. The artwork authentically captures the unselfconscious charm of the students' drawings of Bunbury's local bird life, translated into traditional lace bobbin stitches.

Product information

Product: Lalace

Application: Enclosure

Function: School

Type: Bended

Material / coating: Stainless Steel PVC coated

Pattern: Kids animal drawings

Colour: White

Pattern ratio: 40/60

Mounting: Binding wire

Project size: 58 m2
